Treasurer's Report:

Treasurer's Report was unavailable.

Committee Reports:

Membership Committee: John Dyer presented Carrie Byron with her membership certificate and membership pin. John recognized those, including himself, which had completed the Reno Citizen's Institute program and encouraged other members to enroll in the program as well.

Education Committee: Dana Abney was not present but Dave Vill announced that Course Coordinators were to be rotated for future courses.

Old Business:

Education Conference in Sacramento: Carolyn Carrica reported that there were four items and that three of them had been tabled. The one item that was going to be addressed was the rules for "At-Large Members". She also reported that the Auction was extremely successful in raising a substantial amount of funds for education and that it did better than the Golf Tournament for the first time ever.

Conference 2012: Heather reported that RSCVA was very supportive and did a good job but to our dismay the Chapter was unable to get the bid for the 2012 Conference. She mentioned that Chapter 46 certainly put themselves on the map, the booth was very colorful and fun, a good time was had and that we should try it again in the future.

New Business:

Dave Vill presented the new banner for Sierra Nevada Chapter 46 with much approval. The banner was dedicated in memory of J.R. Harding. Dave announced that the position of Vice President needed to be filled due to Bret Paulson relocating to Southern California. The position of Vice President remains to be announced.

Raffle: James Overcamp, Associate Member, was the winner of the raffle for \$10 but was not present increasing the amount to \$20. Patty Paulson was the winner of wine raffle.

The meeting was adjourned at 1:00 p.m.

Respectfully submitted,
Kelly Hirning, Sierra Nevada Chapter 46 Secretary
